

Welcome to the Festival of Architecture Norwich & Norfolk 2019, **FANN 19**.

The Norfolk Association of Architects are delighted to be hosting our sixth biennial Festival of Architecture in Norwich and Norfolk this Autumn. FANN celebrates Norfolk's unique history, architecture and culture. FANN 19's theme, **Reuse, Recycle, Reinvent** combines ideas of environmental sustainability together with the way buildings are changed, adapted and reused.

We are grateful for our dedicated volunteers and event partners; RIBA East, National Lottery Heritage Fund, SPAB Norfolk and Norwich Historic Churches Trust, who have made the festival possible once again this year.

Full details of all these events and how to book are on our website - www.fann19.org.uk
More events are also available on our website.
Follow us on Twitter at [@ArchiFestival](https://twitter.com/ArchiFestival) and [@HeritageFundM_E](https://twitter.com/HeritageFundM_E) using the hashtag **#FANN19**
